## **Solicitations**

Solicitations are not permitted in the building of the San Antonio campus without the permission of the Dean of Wayland Baptist University, San Antonio campus.

## **Spiritual Formation**

As a community of faith and learning dedicated to the full development of mind and soul, Logsdon Seminary places significant emphasis on spiritual formation. Students, faculty, and staff are encouraged to engage in activities that foster spiritual formation within the seminary and beyond. While not a comprehensive list, the following activities are important to the spiritual development and health of every seminarian.

## **Church Involvement**

Finding a community of faith where one can worship and serve God is an indispensable element for all Logsdon students. Regular participation and service to the local church provides vital spiritual nourishment and affords opportunities to serve Christ. San Antonio and the surrounding area provide a wide variety of churches representing multiple denominations from which to choose a spiritual home during your Logsdon years. Logsdon students are encouraged to actively participate in a local church and/or serve in a ministry capacity throughout their seminary experience.

## **Spiritual Formation Colloquium**

Spiritual Formation Colloquium involves guided theological reflection and dialogue within the graduate theological community. The Director of the San Antonio program or Logsdon Seminary faculty lead the colloquium periodically on the San Antonio campus. Students must participate in at least four colloquia in San Antonio as part of the MDiv program. San Antonio students may also participate in Spiritual Formation Colloquium at the Abilene campus on Thursdays at noon.

## **Spiritual Formation Retreat**

The Spiritual Formation Retreat normally occurs during the second year of the MDiv program. For San Antonio students this means when a student has completed approximately half of the hour requirements for the MDiv degree. The purpose of the retreat is to provide the student with an opportunity for reflection on spiritual and ministry formation at the mid-point of the MDiv. The next Spiritual Formation Retreat will be held in Abilene on February 25-26, 2010. Contact the Office of the Associate Dean for more information. San Antonio students may also participate in the Spiritual Formation Retreat at the Corpus Christi campus; for information contact Dr. Doug Jackson at (361) 991-9403 or [djackson@stscs.org](mailto:djackson@stscs.org).

## **Ministry Formation Conferences**

Logsdon recognizes that participation in ministry conferences outside the structured curriculum is an important part of the MDiv experience. Consequently, a student is required to participate in at least six Ministry Formation Conferences in the course of the program – preferably one per semester.

Logsdon offers regular conferences at the Abilene campus addressing biblical, theological, and ministerial issues. San Antonio students are encouraged to participate. Most of these events qualify as Ministry Formation Conferences. Numerous conferences offered at other venues may also meet this requirement; however, a student must obtain approval by the Associate Dean prior to participation in order for the conference to meet this requirement.

Promptly after participation in a Ministry Formation Conference, a student provides evidence of involvement (normally in the form of a conference agenda) to the Office of the Dean of Logsdon.

A student is not required to pay tuition for Ministry Formation Activities; however, other fees may be charged. Transcript credit is assigned for completion of some of these activities; however, that credit is not computed in a student's grade point average (GPA).

## **Textbooks**

Textbooks may be purchased at the San Antonio campus in the Wayland Baptist University Bookstore prior to the beginning of each semester.

## **Transfer of Credits**

Graduate theological courses may be transferred to Logsdon's MDiv from other accredited institutions, such as Wayland Baptist University. Students who have accomplished graduate theological coursework elsewhere, but have not completed a degree, may transfer applicable courses into the MDiv up to one-half of the total hours for the MDiv. Those who have completed a graduate degree in theology at another institution may also transfer applicable hours into the MDiv up to one-half of the hours in the completed degree. For information about transferrable courses contact the Associate Dean for Logsdon Seminary.
